National Intelligence Council

MEMORANDUM FOR: National Foreign Intelligence Board Principals

FROM: Herbert E. Meyer
Vice Chairman

SUBJECT: SNIE on Soviet Policy Toward the US

1. As the DCI mentioned at the NFIB on 27 June, the NSC has requested a fast-track SNIE on potential Soviet political or military challenges during the next six months. In response to this request, the DCI has directed the preparation of a SNIE entitled "Soviet Policy Toward the US in the Near Term" (see attached TORs). This SNIE will be prepared under the auspices of the NIO for the USSR, Fritz Ermarth. In light of the high interest in this subject among policymakers, we hope to bring the SNIE to NFIB on or about 17 July. I hope you will make every effort to assure that your reps are familiar with your own views and perceptions throughout the SNIE process.

2. Would you please appoint your representative to attend a meeting to coordinate the attached draft TORs on Tuesday, 3 July, 1400 hours in Room 7E32, CIA Headquarters. Please phone attendance intentions to [redacted] and have the clearances verified to us by your Security Office by noon Monday 2 July.
